The April 9, 2019 meeting of the Central New York Car Club Association was called to order at 7:00 PM by Dennis Conner, President.

Nationals – they will no longer have PPG, Ford or Optimum Battery as sponsors. If anyone knows of anyone looking to sponsor, let Dennis know. Regarding the Car Club building – we will just park cars that are working the show. We can have nothing else in there. The contract for the building will be coming up for renewal next year, and we want to make sure we don't jeopardize our use of the building. There are no new jobs available to be worked. High end, exotic cars and 18 wheelers will be in the new building. Camping is sold out. At the time of the meeting, there were 30 dry camping spots still available.

Motorama had their best year yet. Everything went well. Thanks to those who judged. There will be a show again next year.

Mike Mastracco completed the cruise schedule and it is available on the website.

Correction to last month's minutes: Jim Ennis said that since at least 2001, the CNY Mopar Association has very generously donated 100% of the gate from their "Mopar Madness" car show, to the Burn Foundation of Central New York. These donations have exceeded \$36,000 in total, including \$5,000 just this past year alone.

The Association encourages all car club members to join the SEMA Action Network. Membership is free, and you will be kept informed on all upcoming legislation and how it impacts our hobby.
