Alex Bay, NY

CLASSIC CARS & CUSTOM BIKE SHOW

April 24, 2017

Dear Classic Car Clubs;

The Alexandria Bay Chamber of Commerce is hosting the "4th ANNUAL ROLLIN' STREET THUNDER Classic Car and Custom Motorcycle Show," September 10th, 2017.

Set in the beautiful location of the Thousand Islands, this event is promoting the area as well as Car and Motorcycle enthusiasts through out NYS, the US and Canada, this event has the potential of becoming one of Northern NY's main attractions in a few short years. This event targets Car Clubs and Motorcycle Enthusiasts throughout New York State and Canada. I have already been contacted by several car clubs throughout both countries and have received very positive feedback regarding this new event!

We are extending an invitation to your Car Club to attend Rollin Street Thunder this year! Last year was a great success because of the support from the participating car clubs. We have a 50's theme during the event and welcome anyone that would like to dress in the 50's costume to join in the fun!

If you have any questions or concerns please feel free to call the Chamber of Commerce at 315-482-9531 or me at 315-771-1435. Proceeds of this event will benefit Children's Miracle Network.

Thank you for your time and support, we look forward to seeing you in September!

Yours truly,

Mary
