

## CRYSTAL BALL CRUISE 2018

**What:** Volunteer your classic car to transport the **Marcellus High School Seniors** to their **SENIOR BALL** and their “**AFTER THE BALL**” party. This event is known as the **Crystal Ball Cruise**.

**When:** **Saturday, May 19th, 2018** **TIME: 4:00 p.m. to midnight (or later if you choose).**

**Where:** Begins at the Marcellus High School for auto showcase & student pick up, to The Springside Inn to drop the students off, to the Auburn High School for the Drivers’ dinner, back to The Springside Inn to pick the students up; and then to The Ultimate Goal in Marcellus to drop students off for the “After-the-Ball” party (you’re invited to stay)!

**Why:** Students have pledged to make their Senior Ball a drug and alcohol free evening as a condition of participating in the Crystal Ball Cruise. By you driving them from the school to the Ball and then from the Ball to the After-the-Ball Party--- you can help them keep their pledge and ensure that this is a safe and fun night. (Not to mention you can show off your car)

**ALSO!!** You and one companion are invited to enjoy dinner, games and music at the nearby Auburn High School (**at no cost to you**) while the students are enjoying the Senior Ball. The dinner will be catered again this year by Finally Our’s Diner. The High School is just 1 mile away from the Springside Inn. You won’t have to worry about your cars; we have volunteers watching them while you are enjoying yourselves inside.

If you are interested in participating in this one of a kind event, or have any questions, please call/ text/e-mail Mike Bird (315-706-7067/ [crystalballcruise@yahoo.com](mailto:crystalballcruise@yahoo.com)). Your commitment needs to be made by May 11th. Driver/car assignments will be assigned based on the date drivers commit. We have over 100 drivers in our database and this year we’ll need approximately 80 cars.

Information we need to know is the year, make and model of your vehicle, if you will be bringing a companion, and how many students can fit in your vehicle. We would also appreciate it if you can send a picture of your car so the students can see the car they will be riding in (you may email it to [crystalballcruise@yahoo.com](mailto:crystalballcruise@yahoo.com)).

**SAFETY REQUIREMENT...WE MUST HAVE A COPY OF THE DRIVER’S LICENCE AND VEHICLE REGISTRATION VALIDATED AND ON FILE PRIOR TO THE EVENT. You can either scan and e-mail it to Officer Sean Clere ([sclere@marcellusschools.org](mailto:sclere@marcellusschools.org)) or mail it to his attention at the Marcellus High School.**

Marcellus Sr. High School  
1 Mustang Hill  
Marcellus, NY 13108  
Attn: Sean Clere

I appreciate your support in making this years’ Crystal Ball Cruise another success.
